GENERAL CONSENT FOR CARE AND TREATMENT

TO THE PATIENT: You have the right, as a patient, to be informed about your condition and the recommended surgical, medical or diagnostic procedure to be used so that you may make the decision whether or not to undergo any suggested treatment or procedure after knowing the risks and hazards involved. At this point in your care, no specific treatment plan has been recommended. This consent form is simply an effort to obtain your permission to perform the evaluation necessary to identify the appropriate treatment and/or procedure for any identified condition(s).

This consent provides us with your permission to perform reasonable and necessary medical examinations, testing and treatment. By signing below, you are indicating that (1) you intend that this consent is continuing in nature even after a specific diagnosis has been made and treatment recommended; and (2) you consent to treatment at this office or any other satellite office under common ownership. The consent will remain fully effective until it is revoked in writing. You have the right at any time to discontinue services.

You have the right to discuss the treatment plan with your physician about the purpose, potential risks and benefits of any test ordered for you. If you have any concerns regarding any test or treatment recommended by your health care provider, we encourage you to ask questions.

I voluntarily request a physician, and/or mid-level provider (Nurse Practitioner, Physician Assistant, or Clinical Nurse Specialist), and other health care providers or the designees as deemed necessary, to perform reasonable and necessary medical examination, testing and treatment for the condition which has brought me to seek care at this practice. I understand that if additional testing, invasive or interventional procedures are recommended, I will be asked to read and sign additional consent forms prior to the test(s) or procedure(s).

I certify that I have read and fully understand the above statements and consent fully and voluntarily to its contents.

FINANCIAL POLICIES AGREEMENT

Thank you for choosing Oncology/Hematology of Loudoun and Reston (OHLR), a division of American Oncology Partners (AOP), as your health care provider. Our physicians are committed to providing you with the highest quality care.

Prior to receiving treatment, please read and acknowledge our patient financial policies:

- You agree to provide OHLR/AOP with current and accurate insurance, health care benefits program and/or other payer information, and to immediately notify us if your coverage changes.
- You agree that these policies apply to you, and may change from time to time without notice.
- You acknowledge that OHLR/AOP will bill your insurance plan or program for services provided by OHLR/AOP and you agree you are assigning your right to receive payment or benefits from such insurer or program to OHLR/AOP and you are authorizing payment to be made directly to OHLR/AOP.
- You agree you are responsible for payment to OHLR/AOP of all co-pays, deductibles and co-insurance applicable under your insurance policy, plan or program. You understand that payment of such amounts is due at the time of service. You will be responsible for all fees incurred for collection of monies owed including attorney fees and/or court costs.
- Depending on your insurer, plan or program, some services may not be covered. If your insurance does not authorize or cover a service or treatment and you nevertheless decide to receive such service or treatment, you agree that you are responsible for payment. This applies to all payers in accordance with all applicable law and regulation and payer requirements (including any “advance beneficiary notice” (ABN) which may be applicable under Medicare).
- To facilitate payment of claims, to perform internal operations and to coordinate your care with other health care providers, OHLR/AOP will use your personal health information internally and will share such information with your insurance policy and certain business associates of OHLR/AOP in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and other applicable federal and state law and regulation.
- OHLR/AOP owns and operates AON Pharmacy, LLC, a specialty pharmacy that provides certain pharmaceuticals that may be prescribed by your OHLR/AOP physician and may be covered under your medical or pharmacy benefits plan or program (such as Medicare Part B or Part D). You are not obligated to use AON Pharmacy, LLC and may have your prescriptions filled wherever you choose. However, if you select AON Pharmacy, LLC to fill OHLR/AOP-issued prescriptions, then this policy and all other OHLR/AOP patient financial responsibility policies will also apply to the items and services provided to you by AON Pharmacy, LLC.
- You acknowledge that laboratory and/or radiology services may be necessary as part of your care and treatment which may be performed by OHLR/AOP clinicians at OHLR/AOP’s own facilities. In some cases, services may be provided by outside facilities, in which case, you understand that you may receive a separate bill directly from the outside provider.
- If you make a payment to OHLR/AOP that results in a surplus on your account (e.g., a credit balance), OHLR/AOP may hold that amount as a deposit against charges that are subject to ongoing claims processing or charges for scheduled future services, and OHLR/AOP may apply the surplus against such pending or future scheduled charges. If a surplus still remains after applying all credits, or if at the conclusion of your care a credit balance remains which is not subject to return to your insurer or other payer, OHLR/AOP will refund the credit balance to you. However, you agree that any refund under \$10.00 will be made only if you make a written request and, in any event, any credit balance under \$10.00 will be forfeited if a refund request is not received within five (5) years after the conclusion of your care.

By signing below, I acknowledge I have reviewed and agree to the policy.
